	XXXL	192-200	124-132
Storage:	Store dry in original packaging without direct sunlight. (see packaging) If the storage conditions are observed, the product has a storage life of 10 years. (see labeling on the product)		
Environmental sustainability and disposal:	In the case of contaminated products, the type and extent of contamination determines the disposal, and the applicable laws and regulations of the relevant country must be followed. A non-contaminated product can be thermally recycled or disposed of in landfills without releasing toxic substances.		
Warnings:	This suit is not suitable for fire protection due to the risk of dripping in case of ignition and the fact that the fabric is not self-extinguishing. Therefore, avoid contact with open flames.
